

What to do if you're worried about a child or adult at risk

Our procedures

Remember: Don't wait until you're certain. Discuss any worries you have straight away. Support will be provided by the safeguarding team and the NSPCC to make sure we take any actions needed to keep people safe.

Diabetes UK Safeguarding Team:
0207 424 1047
Safeguarding@diabetes.org.uk
Out of hours support and advice is available to all Diabetes UK volunteers
NSPCC Helpline 0808 800 5000
Please ensure you tell the advisor that you are calling from Diabetes UK.
